2. Bringing a puppy/dog into your home is a commitment for the life of the dog. Being a dog owner is expensive and time consuming. We expect that all prospective dog parents have taken the time to evaluate their situations before bringing a puppy/dog home. However, we understand that unexpected things do happen and as responsible breeders, we are here to support you. In the event of a life change and you can no longer care for or keep the dog, we require that the dog be returned to Ellison Family Homestead. **We do not offer refunds of any kind for any reason if the dog is returned.** However, as stewards of this breed, we will always accept the return of any dogs produced by us who is in need of a new home. Under no circumstances will the dog be taken or surrendered to a shelter, rescue, humane society, or rehomed. Under no circumstances will the dog be sold or given to any individual or organization that is in the business of using or marketing dogs for profit, research, experimentation, or animal fighting/violence. By purchasing a puppy from us, you acknowledge that you understand and agree to these terms.

3. Once a successful pregnancy is confirmed by our veterinarian, all persons on our interest list will be notified via email and/or text message to submit an application. After submission of this application via email or online at GoodDog.com, you will be notified if you are accepted as a suitable home for a puppy. You may then secure your place on the waitlist with a \$250 nonrefundable deposit via the GoodDog.com website payment option, Zelle, Venmo, or Paypal. If you live locally and would like to pay with cash or money order, please contact us at 209-617-4172 for directions. All online or app-based forms of payment (Zelle, Venmo, or Paypal) must be paid using the "Friends and Family" option or you must also include an additional amount to cover the cost of fees charged by the payment platform. Deposits are non-refundable, however, they are transferrable to another litter. We cannot guarantee a successful pregnancy or the number, color, or sex of puppies in any litter before they are born. For this reason, if you are not able to get a puppy you desire in the current litter, the deposit will be transferred to the next litter. Prospective puppy parents will have the opportunity to choose their puppy according to their order on the waitlist (order of deposit placement). Payment of the entire balance (total price minus \$250 deposit) will be due before or on the day of puppy pick up when the puppy is 8 weeks old, paid using one of the previously mentioned payment options.
